Dear Lord,
how we’ve waited for this holiday, and now it’s finally here. Thank You, Lord, for the opportunity to take a break from our daily routines and to replenish our minds, bodies and souls so they we may better serve You. Sometimes our expectations for holidays are unrealistic, and we find ourselves disappointed when things don’t go our way. Help us not to worry about having the ‘perfect’ vacation but to relax and enjoy every moment, whatever it may bring. We are grateful for the joys that await us—whether they be the beauty of your creation, relaxation with family or friends, or peace and solitude. Watch over us and protect us as we travel, and bring us safely home again—refreshed and renewed.

Amen.

PRINCIPAL’S REPORT
Welcome to Week 10.
This week is the final week of Term 1. I would like to thank all of the children for a great term and I hope you all enjoy a well-deserved break. Thank you to our wonderful parents who continue to show great support for our school and a huge thank you to our wonderful staff. Thanks for your hard work, dedication and commitment to our students.

I would like to wish you all a happy, holy and safe Easter break.

Phil will be back after the Easter break and I am certain he will have many stories to share. Thank you for your support over the past three weeks. Though I have enjoyed my time in the ‘hot seat’ I must say that I cannot wait to catch up with the Senior N class after the break. I have missed their enthusiasm and commitment.

Enjoy your Easter holidays !!!

Virtue of the Week - Self-Discipline
Self-Discipline means self-control. It is getting yourself to do what you really want to do, rather than being tossed around feeling like a leaf in the wind. You don’t lose control of yourself when you feel hurt or angry, but decide how you are going to talk and what you are going to do. With self-discipline, you take charge of yourself.

Swimming Carnival - A community building activity!
Congratulations to Frawley Blue House on their victory at the swimming carnival yesterday. The day was held in splendid weather conditions with a friendly competitive spirit evident among the children. The parent support was excellent and we value our partnership with you where we work together to instill values in the children that will help them to become healthy, responsible adults.

Thanks to Cathy Rebelo and staff who organised a great carnival for the children. Well done!

Easter Holidays
School will finish for Term 1 on Friday, April 4. School will resume for all staff and students on Tuesday, April 22. Please note that there will be 2 weeks break for the Easter Holidays.

Easter – Assembly
Tomorrow, classes will gather for an Easter liturgy and final assembly, which will be run by the Year 5 class. Parents are most welcome to attend the liturgy at 9.30am in the hall.

Anzac Day
As in previous years students from Prep to Year 7 will be invited to be part of the Anzac Day Parade to be held Friday, 25 April.

Anzac Day falls in the first week back from Easter holidays this year and All Saints’ School has been invited to join the traditional Anzac Day march. Students and parents are asked to gather on Church
Street out the front of the Anglican Church at 10:30am in full school uniform.

**Go Blue for Autism**
On Friday, our school is supporting Autism Queensland by donating a **gold coin** in order to ‘Go Blue’ (wear blue) so as to help raise awareness and funds to help support Queenslanders of all ages living with ASD and their families.

**What is Autism?**
When someone has autism spectrum (ASD), it means that their brains are wired differently to other people. However the symptoms of ASD vary enormously from person to person.

People with ASD find it difficult to interact socially and communicate with others. As they often have difficulty understanding what other people are feeling and what interests others, they might say the wrong thing. They might talk for a long time about a topic they really like, as they are unaware that the topic is of no interest to others. They may not use gestures and body language, in the way that other people do. For example they may not use eye contact and may not smile. However, their ability to communicate can vary tremendously, with some people with Autism having no or limited speech, and others having extensive vocabularies. Although people with ASD can find it difficult to talk to people and make friends, they still have the same emotions as anybody else and love to have friends, even if it’s hard.

People with ASD also like things to happen the same way. They might take the same route to school or the shops, or line up their toys in a particular order. If something is out of place or if routines change without warning, they can get upset or worried. They may also be bothered by sudden loud sounds, bright lights or unexpected touches that do not bother others. They may become upset if someone hugs them or talks too quickly or loudly. They often have intense interests in particular topics and may be extremely knowledgeable about their special interest areas. They can also have an amazing memory for detail.

Every person with Autism is different to another and has their own way of seeing the world, which makes them interesting and unique.

ASD now affects approximately one in every 100 children. Research shows ASD now affects more people than cerebral palsy, diabetes, deafness, blindness and leukaemia put together.

**Cowboys Corner**
Come back Mr Manitta!!! The Cowboys are playing like shot ducks without your one-eyed, fanatical support. The Broncos on the other hand are playing with pride, commitment and determination. Let’s see if the Cowboys can start to turn their season around with a win against the Knights this weekend. Mr Manitta will be back in town and his barracking might just be what they need to help them get over the line. The Broncos should have Suncorp Stadium rocking on Friday night when they take on Parramatta.

**P & F**
Reminder: **P & F AGM will be in the school hall on Friday, April 4 at 9:00 am.**

All Saints’ is a vibrant and caring community and the P&F comes together to embrace new and current families, support current students and promote and celebrate our school achievements and goals. Please help us unite as parents and friends by coming and supporting your P&F on Friday.

**APRE REPORT**

**Assembly**
Year 5 will lead us in an Easter liturgy / assembly in the school hall on **Thursday at 9:30am**. Parents and friends are most welcome to share this end of term celebration with us.

**Lent**

We are currently in the fourth week of Lent. Holy Week begins in 2 weeks time. It is the most significant week in Christianity and as such, I urge you to join in any or all of the services offered by our local churches. Holy Week begins on Palm Sunday and ends on Holy Saturday. The final three days are part of the Paschal Triduum.

**Palm Sunday** (13 April):
On the sixth Sunday of Lent we commemorate Jesus’ triumphal entry into Jerusalem. Worship services include blessing of the palms and a procession. The liturgical colour is red.

**Holy Thursday** (17 April):
**Holy Thursday** is the day on which Catholics celebrate the Last Supper, at which Christ instituted the **Mass** and the **Sacrament of Holy Communion**. It is the first day of the **Triduum**, the three days before **Easter Sunday**.

**Good Friday** (18 April):
A day of fasting and abstinence of the Church commemorating Jesus’ crucifixion and death. Worship customs include Veneration of the Cross, praying the
Stations of the Cross, communion from the reserved Holy Thursday host, and the reading of the Passion. The liturgical colour was once black, but is now red.

Holy Saturday (19 April):
This is the final day of Holy Week. Often a fire is lit outside the church and parishioners light a candle from this fire and process into a darkened church. Holy Saturday is the final night before the Feast of the Resurrection, which begins at the Great Easter Vigil.

Easter Sunday (20 April):
Easter is a feast day that celebrates Christ’s resurrection from the dead. It is celebrated on the Sunday following Holy Week. Easter is also a 50-day season. The liturgical colour is white and the day is a holy day of obligation.

Have a fantastic holiday and remember to.... *Stay classy, All Saints’*

A big thank you to all the people that have helped in the tuckshop this term. We are very appreciative of your time.
As always, we are looking for more helpers so please consider volunteering for 3 hours once a term. Your children really do love to see their parents at tuckshop.
Also thanks to the wonderful families that have donated to our tuckshop - baking and tomatoes & eggs.
Please take notice of the new menu for terms 2 and 3.
The changes to the menu are basically the adding of some extra warm food items for winter.
There is a new roster for term 2 and if the dates don’t suit you please contact us, Linda or Julie ASAP!

Breast Cancer

Why is Breast Cancer Important?

Breast cancer is the most common cancer diagnosed among Queensland women. Age is the biggest risk factor in developing the disease, with most breast cancers occurring in women over the age of 50.

How can I reduce my risk?

While some risk factors are out of your control, you can help reduce your risk of developing breast cancer by adopting a healthy lifestyle. This includes maintaining a healthy weight, being active every day, limiting alcohol intake and having a breastscreen every two years.

What is BreastScreen Queensland?

BreastScreen Queensland has been providing Queensland women with free high-quality breast cancer screening and assessment services for over 20 years.

Women aged 50-74 years are strongly encouraged to have a breastscreen every two years; however women 45 and over are also eligible.

Free high quality breast cancer screening at:
Boonah Sports Complex
Phone 13 20 50
24th March to 10th May 2014

Women 40 and over are eligible for a FREE screening mammogram.

Call one of our friendly staff today for an appointment.
ACTIVITIES GALORE FOR THE SCHOOL HOLIDAYS

A live performance, three workshops and five fun films make up this April’s school holiday program in the Scenic Rim.

The Treasure of Captain Curlylocks is a live performance combining comedy, music and puppetry telling the tale of a treasure chest being washed up on Tugun Beach. What’s inside is not the rubies and pearls that you might expect but a hotch-potch of the funny, the fantastical, the weird and the wonderful. Nadia Sundae takes her audience on a fun-filled adventure to a land where the imagination runs free. It is suitable for 3 to 8 year olds and their families and hits the stage at Boonah Cultural Centre at 10.30am and 2pm on Friday 11 April. Adults $14; concessions $12 and children $8.50.

One of the workshops comes from the exciting Cai Guo-Giang: Falling Back to Earth exhibition which is still on display at GoMA. The activities will be at both the Centre Beaudesert and Boonah Cultural Centre during opening hours from Tuesday 8 to Thursday 17 April (excluding Saturday and Sunday).

Bec Andersen and Kate Raymont are two regular holiday workshop tutors and this time their workshops both have Easter themes. Bec will show participants how to make a glove bunny and Kate will make and decorate Easter treats.

These workshops are both at Boonah Cultural Centre, the Centre Beaudesert as well as at the Vonda Youngman community Centre on Tamborine Mountain. Workshop price is $12.

$5 is all it costs to see any of the five films that have been chosen for this program. A drink and a snack are also included in this great price.

The five films are Turbo (G), Free Birds (G), Percy Jackson: Sea of Monsters (PG), Cloudy with a Chance of Meatballs 2 (G) and The Croods (PG).
Each film screens at both Boonah Cultural Centre and the Centre Beaudesert. The morning session starts at 10am while the afternoon session starts at 1pm.

Bookings are essential for the Treasure of Captain Curlylocks and the cooking and glove bunny workshops but tickets for the movies can be purchased on the day 30 minutes before showtime.

Bookings can be made online (www.liveatthecentre.com.au), by visiting the box office in either Boonah or Beaudesert or by phoning 5463 1524.

The full program can be downloaded from www.liveatthecentre.com.au
Canberra Trip Fundraising

The students from year five, six and seven are going to Canberra this year and as part of the fundraising for this event we are manning the gates at the Boonah Show on Friday 16th and Saturday 17th of May.

We are looking for All Saints parents to help collect money and issue armbands. If you would like to help by contributing some time on either Friday or Saturday it would be greatly appreciated. Many hands make light work!!!

On Friday, two people are required to be rostered on one gate from 7am to 3pm while on Saturday we are manning 3 gates, requiring 7 people to be rostered on per time slot throughout the day from 5am to 8pm.

Below is a roster with the required times. If you would like to help out please complete the table showing when you would prefer to help, and return it to the school office by May 2nd.

Your time is greatly appreciated by the parents of the students going to Canberra.
